# POW WOW 1968-69

PRESENTED BY THE
ANNUAL STAFF
OF THE
ALTOONA, HIGH SCHOOL
ALTOONA, KANSAS

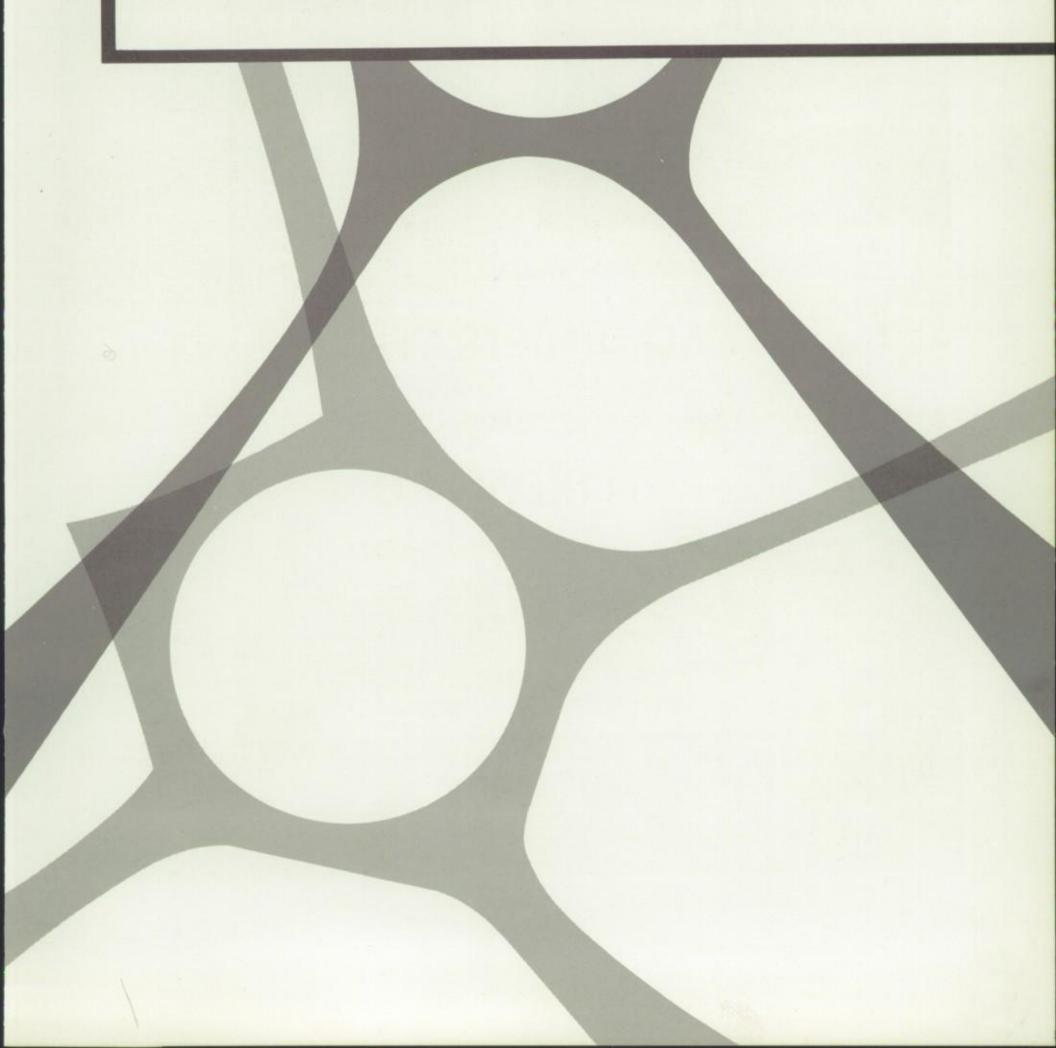

## **FOREWORD**

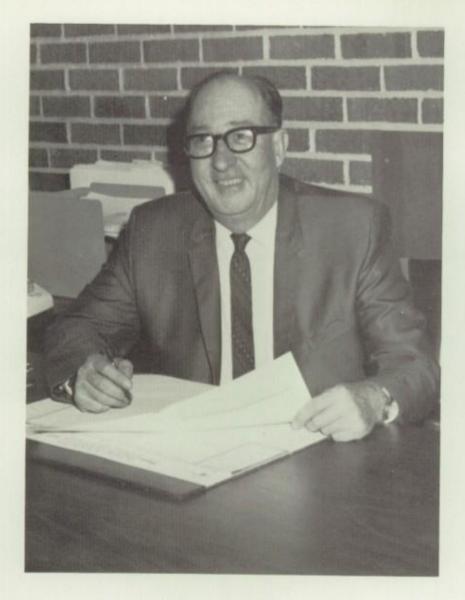

A yearbook holds something precious --- memories.

Our past life is composed of memories and no where can they be better caught than in an annual. For the Seniors this is the final record of their memories of High School, and all the work and play that went into those years.

We, the Annual Staff, of 1969, take pride in presenting this year's POW WOW to you and hope it will help to recapture some of those memories that you have left behind.

#### STORY

Granny Hitchwick is an eccentric, wealthy old lady who gives away five thousand dollars each year in the name of charity, BUT she never knows in advance to whom she is going to give it. She always plays an odd game of "clues" which leads her to some unknown person who makes the decision for her. Her granddaughter, Kitty, in love with a whacky college boy named Archie, would like to have the five thousand dollars donated for the tuition of some much needed football players, especially one named Herkimer. At the point where all kinds of innocent people are being mowed down right and left in the wild search for the disguised Herkimer the police arrive with a riot squad in order to prevent what appears to be mass murder, and to restore peace to the community.

#### Story Of The Play

Uncle Bagley has been visiting his sister Margaret at the latter's farm. According to Margaret's husband John, Bagley can't seem to do anything right. Being a geologist by profession, Bagley naturally is interested in the possibilities of finding oil on the Johnson farm. In his half-blind, bungling manner, Bagley manages to cause confusion and the farm stock. To add to the confusion, Paul and a college friend arrive home for a short vacation from school. Paul has some trouble with his girl friend Betty, but he is more interested in Uncle Bagley's theories of oil on the property. Paul and Bagley manage to "strike" oil by drilling.

#### CLASS HISTORY

After eight years of careful training we came as nineteen papooses in the fall of 1965 searching for the head of the tribe. We were now at the top of the totem pole and Gary Rogers was our Chief to teach us how to survive in this unknown land. The braves of our tribe were chosen to lead us. Carol Carter, President; Carolyn Odgen, Vice President; June Starbuck, Sec.-Treas.; And Jerry Denney, StuCo Rep. The other members of our tribe were Anna Carr, Jerry Cooper, Allen Dannels, Dewey Davenport, Dale Fraser, Danny Hawley, Alannia Holtsclaw, Kathy Louia, Mark McCuistion, Clifford Moore, Alana Nunnenkamp, Walter Skog, Herb Stites, Jackie Stites, and Robert Travis.

Our Sophomore year we had earned our first feather and had made our first move up the towering totem pole. We were sad to see that we had lost two of our braves, Mark McCuistion, who transferred to Independence, and Carolyn Odgen, who transferred to Fredonia. We were happy to gain Lee McGinnes. Later in the year our tribe was weakened by the loss of another brave, Alannia Holtsclaw. Gary Rogers was still our leader. Allen Dannels took over as President, Jackie Stites, Vice President; June Starbuck, Sec-Treas; and Dale Fraser, StuCo Rep. We were now much stronger for our climb up the pole. The girls served at the Jr. -Sr. banquet.

By the next year we had added enough feathers to our headdress to be called warriors. At this point the top of the totem pole seemed much closer. We lost Jackie Stites who became Mrs. Chuck Harshman and Lee McGinnes, who transferred to Cherryvale. Our leaders of the year were Mr. Davis and Mr. Watson. Our top warrior was Jerry Denney, President; Kathy Louia, Vice President; Carol Carter, Sec-Tres.; June Starbuck, StuCo Rep. We had a lot of fun presenting our play "Her Kissing Cousin" which was attended by all the local warriors. Our director was Mr. Watson. Our class set the all-time record of magazine sales at \$800.00. In the spring we presented the seniors with an exotic banquet and prom. The theme was "Isles of Golden Dreams." The band was "We the People". It was considered an untold success. The sophomore girls served. We received our rings in April to add to our tribal dress.

In the fall of 1968 we were fifteen strong chiefs. We were looking forward to finally reaching the top of the totem pole which would happen with our May graduation. We added Kalli McDonald to our tribe who transferred from California making us a strong fifteen. Our leader was Mr. Davis. Our head Chiefs were Herb Stites, President; Kathy Louia, Sec-Treas.; and June Starbuck, Vice President.

The 1968-69 Jr. -Sr. prom was "Evening in Paris". We had money making projects which sent us on our Senior trip to Texas. We finally reached the peak of the totem pole on May 21. This was the day we had all waited for when we had successfully learned our woodmens craft and were ready to face the outside world.
